But when one of his seemingly harmless manipulations sets him on the path to seduce the beautiful Miss Angelica Woodmore, things become a little less simple ... a lot more passionate ... and definitely more complicated. This argument can contribute tangentially to the resolution of a fashionable contemporary dispute, by helping to put the issue in perspective.

Six Key Principles of a Trauma-Informed Approach A trauma-informed approach reflects adherence to six key principles rather than a prescribed set of practices or procedures. Through extensive analysis of data from a range of financial institutions she shows how wider structural change and shifting organisational discourse has influenced customer and worker relations in the retail banking industry in Australia.
