Almazroa, M. Amazon Amon: 1. This may make it necessary to adopt a different conceptual methodology to assess ecosystem-level effects. We can become so busy worrying about whether or not we may be at peace in the future, or so busy being angry or resentful about what has stood in the way of peace in the past, we never have the chance to be at peace in the present. The halls, large and small, the palaces, gardens, streets, walls, gates, altars, and temples of worship all combined together to make a remarkably clear statement.
