For him, the moment of super- sensible experience, for which  
Goethe struggled so hard and held to be the prerequisite of  
knowledge of organic nature, is already present in principal  
in every single act of knowledge and must necessarily be  
present to be able to speak about knowledge at all. Cart 0.  
Das tragikomi. The paper, accepted for publication without  
changes on 18 June presents the first results of the research  
team leaded by Andrea Nanetti at NTU in collaboration with  
Microsoft Research on Engineering Historical Memory using

cartography as a case study.
