Bonds and T. As he put it, the resemblances between Sanskrit, Latin, and Classical Greek are so profound that no philologist could examine them all three, without believing them to have sprung from some common source, which, perhaps, no longer exists. Jones thus was born the idea of an Indo-European linguistic family, along with that of a long-lost proto-Indo-European ancestral tongue although these characters were coined much later. In this sense, strategy can be represented by micro actions derived from individual initiatives, plus sensemaking and sensegiving of agents in different echelons of the organization.
